Q.: Are there any restrictions on tent sizes?

A.: We encourage fans to use tents no larger than 10' x 10'.

Q.: When do I have to take down my tent?

A.: Because unexpected winds can cause tents to scatter when unattended, tents should be taken down before you enter the game.

Q.: When do I have to leave the parking lot?

A.: We know you love a good tailgate but we do ask that you clear the parking lots no later than 90 minutes after the end of the football game. Our crews need to get the lots cleaned and ready for next week's classes.

A.: Plastic is fantastic! Glass containers are not allowed during tailgating activities. Broken glass can be a safety hazard for tailgaters and for students on campus during the week.
